

# VISITING BUYERS for Quicker and Better Buying

**W**HILE in New York—buy where the market is, Buy where the facilities for buying make buying easier, quicker, better. Buy where the representative lines are well displayed, and sold at manufacturers' prices. A visit to the Bush Terminal Sales Building—built for, visiting buyers—is an experience in itself.

The special offerings and announcements beginning below and on the next two pages are alive with the latest merchandising news of several hundred manufacturers.

They are brim-full of marketable suggestions. Look them over carefully to know that you are at the richest buying source in America. And at the building itself there are thousands of additional items that you can see.

This building is the home of the International Buyers Club. Visiting buyers are invited to make it their Headquarters. No membership fee—just comfort, convenience and courtesy.

All goods bought here are billed direct by the manufacturers and shipped from their own factories. Complete directory of the manufacturers and their lines will be sent on request.
